

# First Aid AT WORK

3 DAY COURSE

It is a requirement of the Health & Safety law that employers provide a safe and healthy environment to work in. If your assessment of first aid needs highlights the need for qualified first aiders, then this level 3 qualification (level 6 in Scotland) will provide you with suitable, highly trained personnel.

This comprehensive three-day course covers a wide range of first aid emergencies, enabling all participants to deal with emergency situations with confidence in a prompt, safe and effective way. In addition, this course will include any protocol changes that may have arisen since their last training course.

This course will give the participants a qualification to the highest level of First Aid, meeting the statutory requirements of the Health and Safety (First Aid) Regulations 1981.
